We're excited to share some data with you that resulted directly from your answers to our questions. Below you can find how your answers compare with other participants in the Registry. Check back after each survey for updates!

For more resources, community support and updates on PKD research, visit the PKD Foundation website.

You are the 1st person to join the ADPKD Registry! Thanks to people like you we are now up to 1950 participants

Liver Cysts module

Vascular Outcomes
module

Quality of Life modules

As we add new modules,
we'll add data from those
questions to the Dashboard
to show you what we're
learning
