

Register yourself AS AN INDIVIDUAL

Seven easy steps to set up your Walk registration

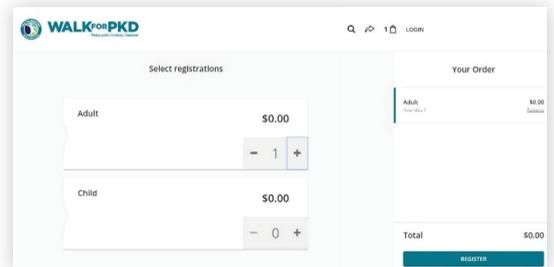

1

Find your local Walk at walkforpkd.org

4

Select your registration type.

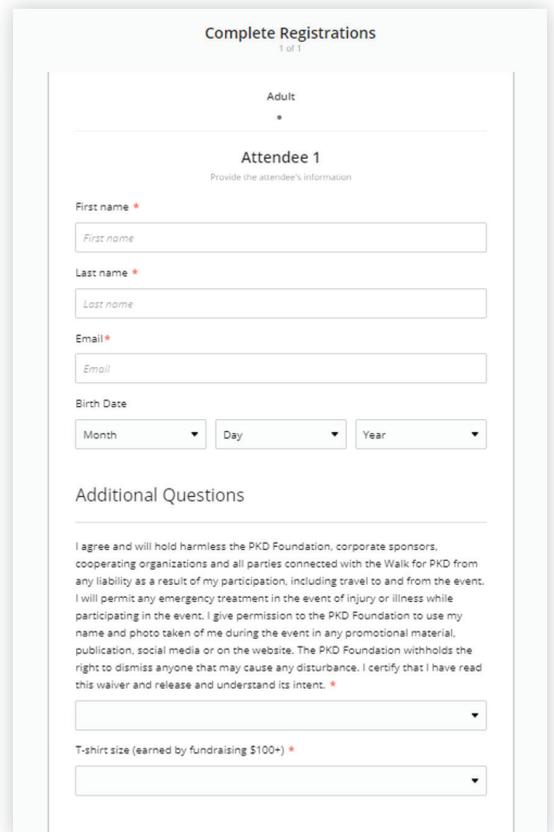

2

Click on the Register button.

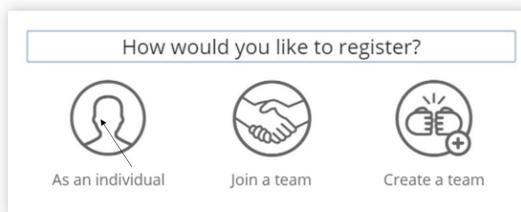

5

Enter your name and email, sign the waiver, and select T-shirt size.

3

Select "As an individual."

6

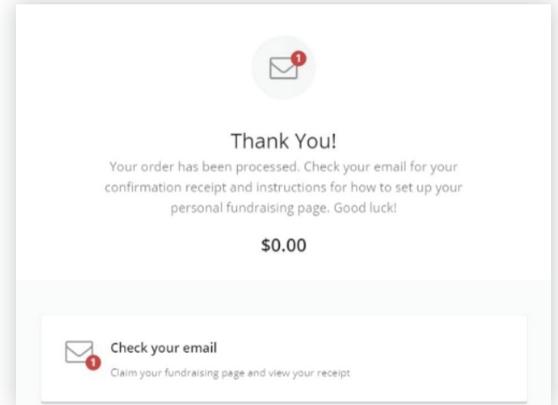

At checkout, enter the name, email, and address of the person completing registration.

The screenshot shows a 'Checkout' form with the following sections:

You're registered, but there's one last step!

Check your email for two messages:

1. Registration Confirmation email.
2. Email with instructions on how to claim and customize your personal fundraising page.

FACT

Participants who personalize their page raise three times more than those who don't!
