Enter your name and email, sign the waiver, and select T-shirt size.

At checkout, enter the name, email, and address of the person completing registration.

You’re registered, but there’s one more step!

Check your email for two messages:
1. Registration Confirmation email.
2. Email with instructions on how to claim and customize your team and personal fundraising page.

FACT
Participants who personalize their page raise three times more than those who don’t!
