If you need help, Trivia Riot will be available to help you find your teammates. About 7:00 p.m. (CDT), Trivia Riot will pull everyone into the main area. We will have a presentation. Then Trivia Riot will begin the questions. Each team member writes down their answers and the questions. Then Trivia Riot will send everyone to a private breakout room with their teammates. While in the breakout room, discussion occurs. One teammate submits the team's answers on Google Form. Teams have 6-7 minutes to submit their answers. Once the answers are in, Trivia Riot brings everyone back to the main area for the answers. Halfway through is a 10-minute intermission. During intermission, the Bonus Round will be played.
