### **HOW IT WORKS:**

Trivia Riot emcee will put on a fun and engaging experience using the Zoom platform. Log into Kidney Fight Trivia Night using the Zoom link as early as 6:30 P.M. Search for your team's name and select your team's name. If you need help, Trivia Riot will be available to help you find your teammates. Everyone is in the main area for the questions. About 7:00 P.M., trivia questions begin. Each team member writes down their answers. Then Trivia Riot will send everyone to a private breakout room with their teammates. While in the breakout room, one teammate submits the team's answers on a Google Form. Teams have 6-7 minutes to submit their answers. Once the answers are in, Trivia Riot brings everyone back to the main area for the answers. Halfway through is a 10-minute intermission. During intermission, the Bonus Round link will be active and played by teams who paid the fee for the Bonus Round. If you have teammates at your house, you can mute your sound and discuss the answers right away.

We do have a limited number of teams (50) available, so book your trivia table now!!!

With your help, more treatments and a cure are within reach! If you have any questions, please feel free to reach out to Glen Kemper or Jean Sommer.

We hope to see you there!!!
