Centers of Excellence

Centers of Excellence Program

About the program

- *New!* Program launched Nov. 2022
- Center of Excellence vs Partner Clinic
 - COE – broadest range of services and expertise
 - Partner Clinic – At minimum, include nephrologist, interested in specialized management of ADPKD, part of the overall mentorship and educational network

Get involved!

- **Community Engagement**
 - Patient Advisory Group
- **Share this resource**

Best Practices

New training series – Let's Login

- Let's Login – Office 365
- Let's Login – One Drive

<https://pkdcure.org/peermentors/>

Things to think about...

- Own the opportunity – you are making a difference!
- Identify initial goals for the call
- Determine call schedule
- Think about the “call agenda” ahead of each call
- Ask for and be open to feedback
- Share Resources

What does the mentee need?

Active listener

The right fit!

Encouragement

~~Medical advice~~ - Guidance
