 - <https://resources.pkdcure.org/resources/nephrectomy-surgery-understanding-risks-and-benefits/>

Q & A

Taking notes! How much information do we need from your calls?

- First call. Discussed fears and concerns around newly diagnosed. Shared PKDCON and registry.
- Kidney function is declining and is working on referral to transplant center.
- Kidney function is declining. GFR went from 25 to 18 recently. I had to start taking cholesterol medication and vitamin D.
