REGISTER FOR THE WALK FOR PKD
ON YOUR PERSONAL DEVICE

1. Scan the QR CODE or navigate to the local Walk page to get started.
2. Select how you want to register:
   a. **Create a team**
      i. Start your team with a creative name and fundraising goal
      ii. Register the team captain first by selecting a ticket (adult)
      iii. Enter team captain's name, email address and answer our registration questions (agree to the waiver)
      iv. Add a donation if you'd like, or skip to the last step
      v. Verify the name and email of the registered person and enter their mailing address.
   b. **Join a Team**
      i. Use the search function to find a team that is already registered and select your team of choice
      ii. Add tickets for each person that needs to join the team (adults and children)
      iii. Enter the name and email address of each registrant and answer our registration questions (agree to the waiver)
      iv. Add a donation if you'd like, or skip to the last step
      v. Verify the name and email of the registered person and enter their mailing address.
   c. **As an Individual**
      i. Add your ticket (adult and/or child)
      ii. Enter the name and email address of each registrant and answer the registration questions (agree to the waiver)
      iii. Add a donation if you'd like, or skip to the last step
      iv. Verify the name and email of the registered person and enter their mailing address.

MAKE AN ONLINE DONATION

1. Scan the QR code or navigate to the local Walk page to get started.
2. Click the green "DONATE" button
3. Select the amount you would like to donate using the radio buttons or type in your amount in the "Other" box
4. Use the search function to donate to an individual or team. Or skip this step to make a general donation to the Walk.
5. Enter your name and email
6. Select your payment method
   a. If you select credit card
      i. Enter your card number, billing name, email and billing address. (All of these items must match what is associated with the card.)
      ii. Check "I'm not a robot"
      iii. Click the GIVE NOW button to complete transaction
   b. If you select a different method of payment, follow the instructions in the selected app and click GIVE NOW to complete transaction
