Register yourself
AS AN INDIVIDUAL
Seven easy steps to set up your Walk registration

1. Find your local Walk at walkforpkd.org

2. Click on the Register button.

3. Select “As an individual.”

4. Select your registration type.

5. Enter your name and email, sign the waiver, and select T-shirt size.
6 At checkout, enter the name, email, and address of the person completing registration.

7 You're registered, but there's one last step!

Check your email for two messages:
1. Registration Confirmation email.
2. Email with instructions on how to claim and customize your personal fundraising page.

FACT
Participants who personalize their page raise three times more than those who don't!
